Re: In re: The Narragansett Electric Company d/b/a National Grid
Energy Facility Siting Board Application
J16 115kV Transmission Line Reconductoring Project
Woonsocket and Cumberland, Rhode Island

Dear Mr. Bianco:

I am enclosing for filing an original and five (5) copies of a Notice of Intent Application and supporting Environmental Report on behalf of The Narragansett Electric Company d/b/a National Grid for the J16 115kV Transmission Line Reconductoring Project. This Project involves the reconductoring of approximately 2.2 miles of the J16 Transmission Line between the Riverside Substation in Woonsocket and the Highland Park Substation in Cumberland.

Because the project involves the modification (reconductoring) of an existing transmission line of more than 1,000 feet, the Notice of Intent is filed under 1.6(f) of the EFSB Regulations. Section 1.6(g) requires the Board to hold a public hearing in one or more of the cities or towns affected by an application under this section.

If you have any questions or would like additional copies of the filing, please give me a call. Please acknowledge receipt of this filing on the enclosed copy of this letter and the Notice of Intent and return them with my messenger.

Very truly yours,

George W. Watson III
