IN RE: APPLICATION FOR CERTIFICATION AS ELIGIBLE RENEWABLE ENERGY RESOURCE FILED BY WED PLAINFIELD II, LLC – NEW GENERATION	: : :	**DOCKET NO. 4860**

ORDER

WHEREAS, On August 22, 2018, WED Plainfield II, LLC[1] (Company) filed with the Rhode Island Public Utilities Commission (PUC) an application seeking certification for its WED Plainfield II, LLC Generation Unit, a 3.0 MW wind energy Generation Unit located in Johnston, Rhode Island, as an eligible New Renewable Energy Resource in accordance with the PUC's Rules and Regulations Governing the Implementation of a Renewable Energy Standard (Rules) and R.I. Gen. Laws § 39-26-1; and

WHEREAS, Pursuant to Section 6.0 and other relevant Sections of the Rules, a thirty-day period for public comment was provided during which time no such comments were received; and

WHEREAS, Supplemental and clarifying information was provided to PUC staff and their application review consultant on October 1, 2018 in response to the application review consultant's request for said information on October 1, 2018; and

WHEREAS, Said supplemental and clarifying information included: a) a correction to the authorized representative and appropriate contact information for the authorized representative; and

WHEREAS, after examination, the PUC believes the application is proper, reasonable, and in compliance with the Rules and hereby grants the Company conditional

certification as an eligible renewable energy resource pursuant to R.I. Gen. Laws § 39-26-1; and

WHEREAS, The PUC's determination in this docket is based on the information submitted by the Company and the PUC may reverse its ruling or revoke the Company's certification if any material information provided by the Company proves to be false or misleading.

Accordingly, it is hereby

(23309) ORDERED:

1) The WED Plainfield II, LLC Generation Unit meets the requirements for eligibility as a New, Wind Renewable Energy Resource with its 3.0 MW, Grid-Connected Generation Unit having a Commercial Operation Date not yet reached and located within the NEPOOL control area in Johnston, Rhode Island.

2) As a Generation Unit which has not yet achieved Commercial Operation, eligibility is granted with a conditional requirement that the Company provide the PUC with written documentation verifying Commercial Operation and that the Company provide evidence of the Generation Unit's NEPOOL-GIS Asset Identification Number, including Market Settlement System (MSS) designation, when assigned by NEPOOL following achievement of Commercial Operation.

3) Following receipt from the Company of acceptable written documentation supporting the Generation Unit's Commercial Operation Date, PUC staff is hereby authorized to assign a unique Rhode Island Public Utilities Commission Eligible Renewable Energy Resource Facility Certification Number for the Company's Generation Unit.

4) The facility's Renewable Energy Certificates (RECs) become Rhode Island-eligible effective on the day which the Rhode Island certification number is issued. All RECs associated with the production of eligible energy that are minted on or after the Effective Date are eligible for the Renewable Energy Standard.

5) Although the PUC will rely upon the NEPOOL GIS for verification of production of energy from the Company's Generation Unit certified as eligible in this Order, the Company will provide information and access as necessary to the PUC, or persons acting at its behest, to conduct audits or site visits to assist in verification of continued eligibility for and compliance with Rhode Island Renewable Energy Standard Certification at any time at the PUC's discretion.

6) The Company shall notify the PUC in the event of a change in the facility's eligibility status.

EFFECTIVE AT WARWICK, RHODE ISLAND ON OCTOBER 30, 2018 PURSUANT TO AN OPEN MEETING DECISION. WRITTEN ORDER ISSUED OCTOBER 31, 2018.
