Re: Invenergy Thermal Development LLC – Clear River Energy Center
Docket No. SB-2015-06
Resolutions – Set #1

Dear Dr. Bianco:

As you know, this office represents the Town of Burrillville in this matter.

Enclosed for filing in this docket is an initial package of City/Town Resolutions which have been adopted in opposition to the proposed Clear River Energy Center. The package contains the following Resolutions:

1. The Town of Burrillville, adopted September 22, 2016.
2. The Town of North Smithfield, adopted October 17, 2016.
3. The Town of Lincoln, adopted October 18, 2016.
4. The Town of South Kingstown, adopted November 14, 2016.
5. The Town of Scituate, adopted November 10, 2016.
6. The Town of Hopkington, adopted November 21, 2016.
7. The Town of Tiverton, adopted November 29, 2016.
8. The Town of Charlestown, adopted December 12, 2016.
9. The City of Cranston, adopted December 19, 2016.

10. The Town of Exeter, adopted January 3, 2017.
11. The Town of Westerly, adopted January 9, 2017.
12. The Town of Jamestown, adopted January 17, 2017.
13. The Town of Narragansett, adopted January 17, 2017.
14. The Town of Little Compton, adopted January 19, 2017.
15. The Town of North Kingstown, adopted January 23, 2017.
16. The Town of Coventry, adopted January 23, 2017.
17. The Town of New Shoreham, adopted February 6, 2017.
18. The Town of West Greenwich, adopted February 8, 2017.
19. The City of Pawtucket, adopted February 9, 2017.
20. The Town of Portsmouth, adopted February 13, 2017.
21. The Town of Bristol, adopted February 15, 2017.

In addition to the enclosed, we understand that to date the municipalities of Central Falls, Cumberland, Douglas, Massachusetts, Foster, Glocester, Middletown, Providence, Richmond, Scituate, and Thompson, Connecticut have also voted to oppose the Clear River Energy Center. However, we do not yet have copies of Resolutions from those municipalities. Our intention is to put together a supplemental package of Resolutions in the near future and forward it to you.

Please bring the enclosed package of Resolutions to the attention of the Energy Facility Siting Board and ask them to consider them as an important part of the evidence presented by the Town of Burrillville in opposition to the Clear River Energy Center.

If you have any questions, please feel free to call.

Very truly yours,

Michael R. McElroy

**RESOLUTION OF THE CITY COUNCIL
IN OPPOSITION TO THE CLEAR ENERGY CENTER POWER
PLANT IN BURRILLVILLE, RHODE ISLAND**

*As amended by City Council 12/19/16 No. 2016-53

Passed:
December 19, 2016

John E. Lanni, Jr., City Council President

Resolved that,

WHEREAS, on October 29, 2015 Invenergy Thermal Development LLC filed an application to construct the Clear River Energy Center Power Plant in Burrillville, RI with the Rhode Island Energy Facility Siting Board (EFSB); and

WHEREAS, the town of Burrillville filed 18 requests to Invenergy to identify a water source needed for cooling the plant (which could use up to one million gallons per day) and Invenergy has not yet named one; and

WHEREAS, John Marsland, President of the Blackstone River Watershed Council (BRWC) wrote that the “plant would threaten 25 years of restoration efforts and millions of dollars of investment by the state and nonprofits like the BRWC and Friends of the Blackstone;” and

WHEREAS, according to the Blackstone River Watershed Council “emissions from the power plant, in particular methane and carbon dioxide, would affect a 30-mile area in the northwest corner of Rhode Island;” and

WHEREAS, particulate matter would “diminish air quality, local rivers and watersheds would be stressed, additional deliveries of chemicals by large commercial vehicles would put residents at risk, noise pollution would increase and the biodiversity impacts and loss of wildlife habitats within the shared watershed would harm the regional environment” according to Burrillville Conservation Chairman Kevin Cleary; and

WHEREAS, the Burrillville power plant would prevent Rhode Island from meeting a reduction in greenhouse gas emissions set by the 2014 Resilient Rhode Island Act; and

Little Compton Town Council
Resolution Opposing the Siting of the Clear River Energy Center
in Burrillville, RI

- WHEREAS, on October 29, 2015 Invenergy Thermal Development LLC filed an application to Construct the Clear River Energy Center Power Plant in Burrillville, RI with the Rhode Island Energy Facility Siting Board (EFSB); and
- WHEREAS, in the months since the filing of that application, the Town of Burrillville has conducted extensive study of the application with and through credentialed professionals, including studies of noise, water, traffic and air quality, among others; and
- WHEREAS, after considering expert testimony and conducting thorough public hearing the Burrillville Planning Board and Zoning Board of Review have advised the EFSB that Burrillville, RI is not a suitable site for the Clear River Energy Center; and
- WHEREAS, the Little Compton Town Council acknowledges the need for additional sources of electrical energy in New England, but believes the siting of the Clear River Energy Center as proposed is an inappropriate solution for reasons including the impacts on property, environment, water and traffic; and
- WHEREAS, the Little Compton Town Council joins with the citizens and officials of the Town of Burrillville as well as residents of Rhode Island, Connecticut and Massachusetts in expressing concerns and objections to the siting of the Clear River Energy Center in Burrillville, RI.

NOW, THEREFORE, BE IT RESOLVED that the Little Compton Town Council does hereby oppose the siting of the Clear River Energy Center in Burrillville, RI.

BE IT FURTHER RESOLVED that this resolution of the Little Compton Town Council be submitted to the Rhode Island Energy Facility Siting Board for consideration during their hearings on Invenergy Thermal Development LLC's application to construct the Clear River Energy Center power plant in Burrillville, RI.
