Re: Application of Invenergy Thermal Development LLC – Clear River Energy Center
Docket No. SB-2015-06

Dear Patricia and Todd:

I am an Assistant Town Solicitor for the Town of Burrillville, which is an intervenor in this action. Alan Shoer is counsel to Applicant Invenergy Thermal Development LLC (Invenergy).

Enclosed are copies of a Property Value Guarantee Agreement (with exhibits and a September 13, 2016 letter) and a Decommissioning Agreement. The Town and Invenergy have jointly agreed that compliance with these agreements by Clear River Energy should be express conditions of any permit that may be eventually issued by the EFSB to the applicant. Accordingly, the Town and Invenergy jointly request that you present this request to the EFSB so that if a permit is eventually issued, compliance with the Decommissioning Agreement and the Property Value Guarantee Agreement (and its attached exhibits and the September 13, 2016 letter) will be express conditions of any such permit.

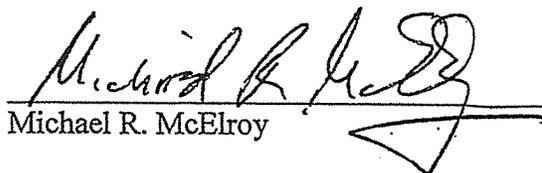

Also enclosed is a Tax Agreement (with exhibits). The Town and Invenergy jointly request that this Tax Agreement be filed in this docket. We are not requesting that the Tax Agreement be an express condition of any EFSB permit.

We are enclosing an original and ten copies of each document.

Very truly yours,

Alan M. Shoer
