Re: RE: Clear River Energy Center in Burrillville, Rhode Island  
Docket No.: SB-2015-16

Dear Mr. Bianco:

On behalf of Clear River Energy LLC and the Clear River Energy Project ("CRE"), please find enclosed an original and three (3) copies of the following supplemental documents related to pending air permit application with the Rhode Island Department of Environmental Management ("RIDEM"):

1. "Major Source Permit Application Addendum," prepared by ESS Group, Inc.;
2. "Multisource Modeling Addendum," prepared by ESS Group, Inc.; and
3. "Health Risk Assessment Report," prepared by ESS Group, Inc.

These documents supplement the following CRE data responses: CLF Nos. 1-1 & 1-2, Town Nos. 6-13, 7-16-7-42. Additionally, these documents supplement portions of Section 6.0 in CRE's Energy Facility Siting Board Application.

Please note these documents are pending with RIDEM and may be further amended as the documents proceed through that agency's permitting process.

Please let me know if you have any questions.

Very truly yours,

ALAN M. SHOER
