Dear Mr. Bianco:

We have been advised that the Energy Facility Siting Board ruled in October to suppress municipal resolutions adopted last fall in opposition to the proposed Invenergy power plant.

Please be advised that the South Kingstown Town Council, at a meeting held November 27, 2017 voted to reaffirm its opposition to the siting of the Clear River Energy Center in Burrillville.

A copy of that resolution is enclosed for consideration by the Energy Facility Siting Board during their hearings on Invenergy Thermal Development LLC's application to construct the Clear River Energy Center power plant in Burrillville.

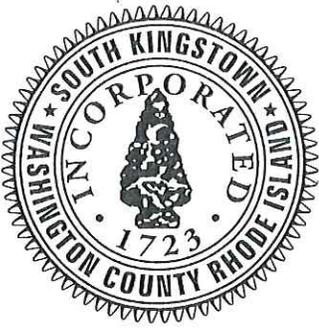

Thank you for your consideration.

Very truly yours,

Susan M. Flynn, CMC
Deputy Town Clerk
