EFSB 1-2: Please identify the closest residence or commercial establishment to the proposed construction.

RESPONSE:

The closest residential neighbor is the home at 74 Greenville Road which is the property located north of the entrance driveway to the substation. The parcel boundaries are highlighted in blue on Attachment A. The Project Team has been in contact with the abutter in connection with other projects in the area. The Project Team will contact all abutters within 200 feet of the substation in advance of commencing the transmission line construction.

Response prepared under the supervision and guidance of
David P. Arthur, PE, PMP, LEED AP BD+C.
