Re: National Grid - Docket No. SB-2003-01

Dear Patti:

Due to some uncertainty as to the “filing date” of the Objection of the City of Providence to the Joint Report and Motion of National Grid and East Providence¹ and the temporary unavailability of important personnel, on behalf of National Grid and East Providence, I respectfully request an extension of time until Monday, November 14, 2016 within which to file the response of National Grid and East Providence to the Providence Objection.

Thank you for your consideration.

Sincerely,

Peter V. Lacouture
