**Re: Docket No. SB-2003-1**  
**In re: The Narragansett Electric Company d/b/a National Grid**  
**(E-183 115kV Transmission Line Relocation)**

Dear Patti:

I am enclosing for filing an original and four (4) copies of the March 17, 2014 Status Report on behalf of National Grid in the above referenced matter.

Please acknowledge receipt of this filing on the enclosed copy of this letter and the status report and return them to me. Thank you.

Sincerely,

Peter V. Lacouture

In re: The Narragansett Electric Company :  
(E-183 115 kV Transmission Line : Docket No. SB-2003-01  
Relocation Project – A/C I-195 Relocation) :

STATUS REPORT OF  
THE NARRAGANSETT ELECTRIC COMPANY d/b/a NATIONAL GRID  
(MARCH 17, 2014)

This report of The Narragansett Electric Company d/b/a National Grid (“National Grid” or the “Company”) is filed with the EFSB in response to its vote at the hearing on December 17, 2013 which required reports from National Grid every forty-five (45) days on the status of the E-183 Underground Relocation Project. National Grid’s first report was filed on January 30, 2014.

The following activities have taken place since the January 30, 2014 report was filed:

- The project team has nearly completed development of specifications for an engineering consulting firm to provide engineering services for the underground transmission portion of the project.
- The RFP and specifications for the engineering consultant are expected to be issued within the next two (2) weeks to a pre-qualified list of bidders. Bids/proposals will be due in late April.
- Company representatives plan to meet with Commissioner Paul Roberti to discuss ISO funding issues.

Respectfully Submitted,

THE NARRAGANSETT ELECTRIC COMPANY  
d/b/a NATIONAL GRID

By its Attorneys,

**Peter V. Lacouture**
