STATUS REPORT

DEPARTMENT OF ATTORNEY GENERAL

April 15, 2015

This report is filed with the EFSB to fulfill the requirement of quarterly reporting requested by the Board. This report will only detail steps taken by the Attorney General's office in furtherance of the E-183 Underground Relocation Project since January 15, 2015.

- On January 19, 2015, representatives of the Attorney General, Cities of East Providence and Providence participated in a teleconference with the consulting firm PDC, Inc. to discuss a peer review of National Grid's Underground Estimate.
- An agreement between the consultant and the parties was executed on February 6, 2015.
- National Grid requested that the parties sign a Non-Disclosure Agreement ("NDA") before giving confidential information to the peer-review consultant.
- After careful review, it was determined that the NDA included provisions that would conflict with statutory open government obligations of the Attorney General.

- Based on the above determination, the parties were informed that the NDA could not be signed by the Office of Attorney General.
- Various emails were received including a Marine Survey Report from National Grid. This report included an operations report and an alignment map.
- The Attorney General received the PDC peer review report on April 13, 2015 and arranged a teleconference to discuss such report with the Cities of East Providence and Providence.

Respectfully Submitted,

STATE OF RHODE ISLAND,
DIVISION OF PUBLIC UTILITIES AND CARRIERS

By its attorney,

PETER KILMARTIN
ATTORNEY GENERAL
