

**STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS
ENERGY FACILITY SITING BOARD**

IN RE: INVENERGY THERMAL DEVELOPMENT LLC'S APPLICATION TO CONSTRUCT THE CLEAR RIVER ENERGY CENTER IN BURRILLVILLE, RHODE ISLAND – DOCKET NO. SB-2015-06

AMENDED NOTICE OF HEARING

Pursuant to the provisions of Chapters 42-98 and 42-35 of the General Laws of the State of Rhode Island, in particular section 42-98-7, and Rules 1.8(a) - (d) and 1.15(a)(1) - (2) of its Rules of Practice and Procedure, **the Energy Facility Siting Board (Board) will conduct a Show Cause Hearing on Thursday, October 13, 2016 beginning at 12:00 PM, in Hearing Room A of the Public Utilities Commission office building, 89 Jefferson Boulevard, Warwick, Rhode Island to determine whether licensing proceedings should be suspended pending Invenergy Thermal Development LLC (Invenergy) supplementing its application with a water supply plan.** The hearing may continue thereafter from day to day and from time to time as required.

In an application filed with the Board on October 29, 2015, Invenergy seeks the approval of the Board to site and construct the Clear River Energy Center, a combined-cycle electric generating facility of approximately 850 to 1000 MW, and associated facilities and structures, on Wallum Lake Road in Burrillville, RI. The plant is intended to fire natural gas as a primary fuel and ultra-low sulfur diesel fuel as a backup fuel. The facility's intended use and size meet the definition of a "major energy facility" pursuant to Rule 1.2(p). The application is on file and available for public review at the offices of the Board at the Public Utilities Commission office building and at www.ripuc.org/efsb. **Oral argument on pending motions and public comment will not be entertained at this hearing.**

The Public Utilities Commission office building is accessible to the handicapped. Individuals requesting interpreter services for the hearing impaired must notify the Coordinator at 89 Jefferson Boulevard, Warwick, 401-780-2106, at least 72 hours in advance of the hearing.

Todd Anthony Bianco, Coordinator
Energy Facility Siting Board
