**RE: Docket 2515 – Open Access Customer Data Report
Updated - First Quarter 2009**

Dear Ms. Massaro:

Enclosed are ten (10) copies of National Grid's¹ updated quarterly Open Access Customer Data Report ("Report") for the first quarter of 2009. This revision corrects a formula error in the kWh total for one supplier.

The Company is providing this supplemental Report to update the demand data for its customer rate classes.

As always, in accordance with Commission Rule 1.2(g), we are enclosing confidential information in a separate, sealed envelope, which reflects customer data and pricing information listed by supplier.

I also have forwarded by e-mail a PDF file of the non-confidential data to facilitate posting of the data on the Commission's website.

Thank you for your attention to this matter. If you have any questions, please feel free to contact me at (401) 784-7667.

Very truly yours,

Thomas R. Teehan
