Ms. Luly E. Massaro, Commission Clerk
Rhode Island Public Utilities Commission
89 Jefferson Boulevard
Warwick, RI 02888

Dear Ms. Massaro:

We are filing herewith, for effect January 11, 2004, tariff material consisting of:

PUC RI No. 15

<u>Part/Section</u>	<u>Revision of Page</u>
A/1	44

With this filing, Verizon Rhode Island proposes to modify the Customer Specific Pricing Contracts tariff to reflect the pricing flexibility for business services granted in the Alternative Form of Regulation Order (Order No. 17417) issued March 31, 2003 in Docket No. 3445. These tariff modifications will enable Verizon RI to respond, on a case-by-case basis, to the highly competitive environment that exists for business services in the state.

A copy of each customer specific pricing contract will be made available for review by the PUC. Should you have any questions regarding this filing, please contact Patricia Tapley on 525-2133.

Enclosed are an original and nine copies of the tariff material. Please return a copy of this letter with your stamp of receipt.

Respectfully submitted,

Theresa L. O'Brien
