**RE: Docket 3679 - The Narragansett Electric Company, Filing to Amend
R.I.P.U.C. No. 1124 Terms and Conditions for Nonregulated Power Producers**

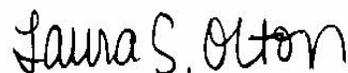

Dear Ms. Massaro:

At the June 16, 2005 Public Utilities Commission Open Meeting, the Commission approved The Narragansett Electric Company's ("Company") proposal to add Section 2.6 to the Terms and Conditions for Nonregulated Power Producers ("NPPs") for the Company to release non-residential customer information to NPPs in order to assist in the advancement of the retail market in Rhode Island. At the Open Meeting, the Commission incorporated the Division's recommendation that Narragansett notify customers of the proposal and the opportunity to opt-out through bill inserts for two consecutive months. The Commission also required an annual notification to customers of the provision and the opportunity to opt-out.

This letter serves to inform the Commission that the Company is providing the attached bill insert to non-residential customers during the months of August and September 2005. The Company will provide the annual bill insert beginning in September 2006 and will provide the insert annually each September.

If you have any questions, please feel free to call me at 784-7667.

Very truly yours,

Laura S. Olton
