Luly Massaro, Commission Clerk
Rhode Island Public Utilities Commission
89 Jefferson Boulevard
Warwick, RI 02888

Re: Docket No. 3692 - Verizon RI Proposed Alternative Form of Regulation Plan

Dear Ms. Massaro:

Enclosed for filing are the original and three copies of Verizon Rhode Island's Responses to the Commission's Data Requests 1-1 through 1-9.

Please be advised that certain responses contain proprietary and confidential business and financial information. They are therefore filed in the sealed envelope labeled "Contains Privileged Information – Do Not Release". Please place these documents in a secure, non-public file. These documents are being provided only to the Commission, and to the Division and the Attorney General in accordance with the terms of Protective Agreements between Verizon RI and those parties. In addition, the proprietary responses to PUC 1-1 and 1-3 only are being provided to Cox pursuant to the Protective Agreement between Verizon RI and Cox.

As always, please call me with any questions. Thank you for your attention to this matter.

Sincerely,

/s/ Alexander W. Moore

Alexander W. Moore

State of Rhode Island

Docket No. 3692

Respondent: Robert J. Kenney
Title: Executive Director - Regulatory

REQUEST: Public Utilities Commission, Set 1

DATED: November 15, 2005

ITEM: PUC 1-3 Provide the total current number of CLEC residential lines broken down by resale, UNE-P, and facilities based (E 911 listing).

REPLY: The requested information is proprietary and competitively sensitive in nature, and is being furnished only to the Commission and to the Division, the Attorney General and Cox in accordance with the terms of the Protective Agreements between Verizon and each of those parties.

Please see the proprietary attachment for the total number of CLEC residential lines broken down by resale, UNE-P and facilities-based (E911 listings) as of June 2005. The quantities are reported on a Located – Channels Basis. These quantities do not include the number of residential lines being furnished through VoIP or wireless service.

Docket No. 3692

Respondent: Robert J. Kenney
Title: Executive Director - Regulatory

REQUEST: Public Utilities Commission, Set 1

DATED: November 15, 2005

ITEM: PUC 1-4 Provide the total number of CLEC residential lines provided by UNE-L.

REPLY: Verizon RI does not know how a CLEC uses a UNE-L purchased from Verizon RI and therefore cannot determine the number of residential lines provided by UNE-L. Please see PUC 1-5 for the total lines provided by UNE-L.

State of Rhode Island

Docket No. 3692

Respondent: Robert J. Kenney
Title: Executive Director - Regulatory

REQUEST: Public Utilities Commission, Set 1

DATED: November 15, 2005

ITEM: PUC 1-8 Provide the cost of a basic residential line by calling area, the number of VZ-RI residential lines by each calling area which have no additional features, and the current cost of UNE-P by calling area.

REPLY:

- (a) A residential customer who subscribes to unlimited basic exchange service falls within one of six different rate groups, depending upon the size of his or her local calling area. Please see the attachment containing the six rate groups, their prices, and the associated exchanges.
- (b) The requested information is proprietary and competitively sensitive in nature, and is being furnished only to the Commission and to the Division and the Attorney General in accordance with the terms of the Protective Agreements between Verizon and those parties.

Please see the proprietary attachment for the number of residential lines, by exchange, which do not subscribe to vertical features.

- (c) Please see the attachment for the current UNE-P prices as approved by the Commission in Docket 2681.

Docket No. 3692

Respondent: Robert J. Kenney
Title: Executive Director - Regulatory

REQUEST: Public Utilities Commission, Set 1

DATED: November 15, 2005

ITEM: PUC 1-9 Provide the amount VZ-RI has received in 2004 and 2005 for intrastate toll service.

REPLY: Intrastate Toll service revenue for 2004 was \$15,165,601.

The requested information for 2005 is proprietary and competitively sensitive in nature, and is being furnished only to the Commission and to the Division and the Attorney General in accordance with the terms of the Protective Agreements between Verizon and those parties.

Please see the proprietary attachment for year-to-date intrastate toll revenue through September 30, 2005.
