Re: Docket No. 3707

Dear Ms. Massaro:

The Division of Public of Utilities and Carriers (“Division”) requests that the Commission extend the due date of the Division’s Surrebuttal Testimony from March 16, 2006 to no later than March 23, 2006. The additional time is necessary in order for the Division to review NBC’s responses to the Division’s fourth set of data requests and prepare its testimony in accordance therewith. The responses were received late in the afternoon of March 14, 2006; NBC does not object to the requested extension.

Very truly yours,

Leo J. Wold
Special Assistant Attorney General
