PUBLIC UTILITIES COMMISSION

7/27/2006

Dear Members of the Public Utility Com

We would like you to expedite
the summer moratorium rule as
soon as possible to safeguard the health
and welfare of RI citizens especially the
elderly. You need to schedule
a hearing in order to bring about this
humanitarian rule please do so
as soon as possible

Thanks for the consideration

Coordinates the Rhode Island Campaign to Eliminate Childhood Poverty

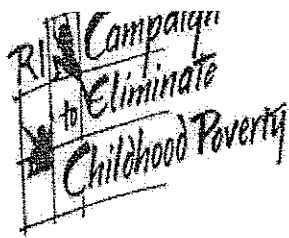

We the undersigned, petition the Rhode Island Public Utilities Commission and the Division of Public Utilities to immediately establish a summer "moratorium", preventing any Rhode Island public utility company from terminating service to any household in the state when the temperature reaches 90 degrees or above. These days, for all intents and purposes, are ozone alert days.

****This moratorium would benefit the health and safety of all R.I.er's including the elderly, disabled and families with children.**
