RE: *Docket 3761- Petition For Summer Moratorium*

Dear Ms. Massaro:

Please be advised that this office represents the Pawtucket Water Supply Board (PWSB). We have received the George Wiley Center's petition to implement a summer moratorium. After reviewing this petition, the PWSB has no objection to the Commission developing an appropriate moratorium after due consideration of the implementation issues that would accompany such a moratorium. In fact, the PWSB refrained from shut offs during the unusually hot weather we recently experienced.

The PWSB will cooperate in any manner requested in developing the proposed moratorium, and if any further information or input is needed on the implementation issues surrounding the proposed moratorium, please do not hesitate to contact me.

Thank you for your attention to this matter.

Sincerely,

Joseph A. Keough, Jr.
