Re: Interstate Navigation Company
Docket No. 3762-Rate Plan

Dear Gentlemen:

Please be advised that the Town of New Shoreham supports the request of Interstate Navigation Company for an automatic rate increase based upon the Consumer Price Index (CPI-U Northeast) for its traditional ferry service effective January 1, 2011.

This increase is consistent with Paragraph 2 of the Settlement Agreement Rate Plan (Order No. 18957) the Town participated in which runs from January 1, 2007 through December 31, 2011.

If there are any further questions, please do not hesitate to contact me.

Very truly yours,

Nancy O. Dodge
Town Manager
