RE: Docket No. 3762-Interstate Navigation Rate Plan Extension

Dear Commissioners:

The Town of New Shoreham has received the filing of Interstate Navigation Company pursuant to the Rate Plan as approved in Order No: 18957 and extended in Order No. 20406, and will defer to the review by the Division as to the accuracy of the numbers set forth for the proposed rate increases listed. Assuming the correct inflation factor and the appropriate backing out of the ROE adjustment factor, the Town has no objection to the proposed rates as they appear on Schedule WEE-A.

Very truly yours,

Nancy O. Dodge
Town Manager
