Re: Interstate Navigation Company-Fast Ferry Tariff Filing  
Docket No. 3764

Dear Luly:

Pursuant to the directive of the Hearing Officer at the September 6, 2006 prehearing conference in Docket No. 3762, Interstate Navigation's ("Interstate") general rate filing, I am submitting these comments on behalf of the Town of New Shoreham (the "Town").

The Town has discussed the relationship between Docket Nos. 3762 and 3764 with other parties and understands that Commission approval of Interstate's fast ferry tariff, without suspension and hearing, will not prejudice the rights of the parties in the general rate proceeding to raise any issues concerning the impacts of Interstate's fast ferry operations upon the revenue requirements for its conventional ferry operations. The parties are discussing a Stipulation on this subject in Docket No. 3762. The Town Council will review any proposed Stipulation at its next meeting on September 13, 2006.

Do not hesitate to contact me if the Commission has any questions concerning these comments on behalf of the Town.

Very truly yours,

Alan D. Mandl, Bar No. 6590
