APPLICATION TO CHANGE RATE SCHEDULES

DOCKET NO. 3775

NOTICE OF PUBLIC HEARING

Pursuant to the provisions of Sections 39-1-1 and 39-3-11 of the General Laws, as amended, the Public Utilities Commission (“Commission”) will conduct a public hearing on **Friday, November 17, 2006 at 1:00 P.M.** in Hearing Room A of the Public Utilities Commission at 89 Jefferson Boulevard, Warwick, Rhode Island. The hearing may continue thereafter from day to day and time to time as required.

In this docket, the Commission will consider the propriety of an application by the Narragansett Bay Commission (“NBC”) seeking approval of new rates designed to generate additional revenues in the amount of \$6,010,883 to fund debt service and debt service coverage costs for NBC’s Capital Improvements Program projects, including the Combined Sewer Overflow project. NBC requests that the rates become effective July 1, 2007. The impact of the proposal is a 9.9% across-the-board increase on rates excluding pretreatment permit fees. If approved, a typical residential customer using 200 gallons of water per day will incur a bill increase of \$29.52 per year from \$295.45 to \$324.98. The impact of the rate increase on all other customers will vary depending upon the customer’s classification and consumption. The Commission may approve different rates that may be higher or lower than those proposed by NBC.

The application is on file for examination at the Commission’s office and at the office of the Narragansett Bay Commission, One Service Road, Providence, Rhode Island. The

application can also be accessed at www.ripuc.org/eventsactions/docket/3775page.html. The deadline to file a Motion to Intervene as a party in this docket is November 3, 2006.
