**RE: Standard Offer Service and Rates Effective January 1, 2007 – Docket No. 3788
and Renewable Energy Standard (RES) Charge, Docket No. 3765**

Dear Ms. Massaro:

Enclosed for filing on behalf of The Narragansett Electric Company, d/b/a National Grid (the “Company”) are ten (10) copies of the following tariff pages reflecting rates approved by the Commission to be effective January 1, 2007:

R.I.P.U.C. No. 2001, Standard Offer Service
R.I.P.U.C. No. 2002, Standard Offer Adjustment Provision
R.I.P.U.C. No. 2003, Last Resort Service

These tariff pages reflect the rates approved by the Commission in Docket Nos. 3788 and 3765. Pursuant to the Commission’s Order in Docket No. 3765, the tariff pages identify the RES Charge as a separate charge from the Standard Offer Service and Last Resort Service Charges.

The Company has also included a redlined version of R.I.P.U.C. No. 2002, Standard Offer Adjustment Provision, to show changes from the earlier version filed with the Commission in Docket No. 3765. The Company has made two minor edits to the fourth paragraph regarding the timing of the Company’s reconciliation adjustment filing to more accurately reflect the current policy.

Finally, the Company has enclosed a full copy of the revised tariff cover sheets that were provided at the evidentiary hearing on December 18, 2006 in Docket No. 3788. The Company identified an error on the Rate B-62 cover sheet provided at the hearing, which inadvertently omitted the 2007 distribution demand charges applicable to the former Auxiliary Service customers. The enclosed tariff cover sheets contain the correction.

**THE NARRAGANSETT ELECTRIC COMPANY
STANDARD OFFER ADJUSTMENT PROVISION**

The prices contained in the applicable rates of the Company are subject to adjustment to reflect the power purchase costs incurred by the Company in arranging Standard Offer and Last Resort Service, which costs are not recovered from customers through the Standard Offer Service and Last Resort Service rates, including, but not limited to, the costs incurred by the Company to comply with the Renewable Energy Standard established in R.I.G.L. Section 39-26-1, and the costs to comply with the Commission's Rules Governing Energy Source Disclosure.

Deleted: charged to Standard Offer and Last Resort Service customers.

On an annual basis, the Company shall reconcile its total cost of purchased power for Standard Offer and Last Resort Service supply against its total purchased power revenue (appropriately adjusted to reflect the Rhode Island Gross Receipts Tax), and the excess or deficiency ("Standard Offer/Last Resort Adjustment Balance") shall be refunded to, or collected from, customers through the rate recovery/refund methodology approved by the Commission at the time the Company files its annual reconciliation. Any positive or negative balance will accrue interest calculated at the rate in effect for customer deposits.

For purposes of the above reconciliation, total purchased power revenues shall mean all revenue collected from Standard Offer and Last Resort Service customers through the Standard Offer and Last Resort Service rates for the applicable 12 month reconciliation period. If there is a positive or negative balance in the then current Standard Offer/Last Resort Adjustment Balance outstanding from the prior period, the balance shall be credited against or added to the new reconciliation amount, as appropriate, in establishing the Standard Offer/Last Resort Adjustment Balance for the new reconciliation period.

Annually, the Company shall determine the Standard Offer/Last Resort Adjustment Balance for the prior calendar year and make a filing with the Commission. The Company will propose at that time a rate recovery/refund methodology to recover or refund the balance, as appropriate, over the subsequent twelve month period or as otherwise determined by the Commission. The Commission may order the Company to collect or refund the balance over any reasonable time period from (i) all customers, (ii) only Standard Offer and/or Last Resort Service customers, or (iii) through any other reasonable method.

Deleted: By March 1 of each year

Deleted: commencing April 1

Notwithstanding the foregoing, the Company may not recover, without full disclosure and the express approval of the Commission, any cost of Standard Offer Service in excess of the costs billable under the applicable Wholesale Settlement agreements from 1997 that established prices for wholesale standard offer supply.

This provision is applicable to all Retail Delivery Service rates of the Company.

Effective: January 1, 2007

Deleted: May 1, 2000
