Re: Affordable Energy Plans – PUC Docket Nos. 3804 and 3806
Motion for Relief from Order

Dear Luly:

As you know, this office represents Block Island Power Company (BIPCo).

We are in receipt of National Grid's motion for relief from Commission Order No. 18973 dated July 24, 2007. For the reasons set forth in Laura S. Olton's letter/motion, we support National Grid's motion. For those same reasons, we also further request that you treat this letter as BIPCo's motion for relief from Commission Order No. 18973 for BIPCo, and we respectfully request that the Commission provide similar relief to BIPCo regarding BIPCo's affordable energy plan filing.

Very truly yours,

Michael R. McElroy
