**RE: DOCKET NOS. 3804 AND 3806**  
**AFFORDABLE ENERGY PLANS**

Dear Mrs. Massaro:

This office, as you know, represents the Pascoag Utility District in the above referenced Dockets. An Order (No. 18973) was issued by the Commission on May 23, 2007 and published on May 31, 2007 concerning the implementation of affordable energy plans; however, the legislature did not allocate the funding necessary to sustain these plans.

Thereafter, National Grid filed a motion seeking relief from Order No. 18973. Pascoag Utility endorses that motion, and for the same reasons stated therein, Pascoag Utility District requests relief from Order 18973 with respect to its filing of its affordable energy plan.

Very truly yours,  
Pascoag Utility District  
By its General Counsel
