MEMORANDUM**

TO: LULY MASSARO
COMMISSION CLERK

SUBJECT: NBC COMPLIANCE FILING DOCKET3905

I have reviewed the compliance filing of NBC in Docket 3905 dated June 24, 2008. Based on my understanding of the Commission's decision at the June 19 open meeting as outlined in the June 20 e-mail of Tom Massaro of the Commission staff to the docket service list, I believe NBC's proposed rates are in compliance with the decision, and are appropriately designed to generate an additional \$7,236,917 for a total rate year revenue amount of \$75,031,159.
