Dear Ms. Massaro:

Enclosed please find ten (10) copies of National Grid's¹ responses to the second set of data requests issued by the Rhode Island Division of Public Utilities and Carriers ("Division") in the above-captioned proceeding. In this set, the Division requested that the Company provide electronic versions of each of the witnesses' attachments concerning their testimony. To facilitate these requests, the Company is enclosing two (2) CD-ROMs containing the electronic versions of each of the witnesses' attachments.

Please be advised that the Company is seeking protective treatment of a confidential electronic attachment provided in response to Data Request DIV-2-8, as permitted by Commission Rule 1.2(g) and by R.I.G.L. § 38-2-2(4)(i)(B). The Company has submitted a Motion for Protective Treatment under separate cover along with a copy of the confidential electronic file to the Commission pending a determination on the Company's Motion. The data set forth in the response to Data Request DIV-2-8 is not confidential and was submitted to the public record with the Company's initial filing; only the electronic model is confidential. In addition, the Company plans to provide a copy of the confidential electronic file to the Division upon the execution of a non-disclosure agreement.

Thank you for your attention to this transmittal. If you have any questions, please feel free to contact me at (401) 784-7667.

Very truly yours,

Thomas R. Teehan
