Re: New Seasonal Rate for Large Commercial and Industrial Customers, RIPUC #501

Dear Ms. Massaro:

On behalf of Pascoag Utility District, we herewith submit an original and nine copies of Pascoag's proposed new tariff, "RIPUC #501, Seasonal Rate for Large Commercial and Industrial Customers."

This new tariff, available to seasonal customers with a metered demand of 15 kilowatts, will adjust the peak demand over the ensuing eleven month period to be seventy-five percent of the customer's peak demand.

Currently, the District has three customers qualified for the proposed new rate. The estimated annual impact to Pascoag would be a net operating loss of approximately \$ 6,800.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Judith R Allaire
Assistant General Manager
