Commission Data Request 1-1

Request:

For each of the following data requests, please eliminate any identifying information, such as customer name or account address.

Please provide a list of every customer, by customer number (not by account number) and city, that is currently shut off identifying whether the shut off is for electric, gas or both.

- a. For each of those customers currently shut off, identify the date of termination, the amount owed as of the date of termination and the last 12 months payment history. Please sort this list in descending order by greatest amount owed.
- b. For each of those customers currently shut off, identify what amount is required to turn that customer back on.
- c. For each of the customers currently shut off, identify whether that customer had a previous shut off for which a payment agreement was not satisfied.

Response:

- a. Please see attached spreadsheets
- b. Please see attached spreadsheets
- c. Please see attached spreadsheets
