RE: Docket 4011 - Electric Retail Rates Filing
National Grid Response to Wiley Requests

Dear Ms. Massaro:

I am filing this letter in response to data requests that the Wiley Center served upon National Grid this afternoon. After receiving the data requests, I contacted the attorney for the Wiley Center and agreed that, although the hearing in this matter has concluded, National Grid intends to provide expeditious responses to these requests. It will, however, take additional time to provide responses given the extremely late timing of the requests.

Thank you for your attention to this filing. If you have any questions, please contact me at (401) 784-7667.

Very truly yours,

Thomas R. Teehan
