Ms. Luly Massaro, Commission Clerk  
Rhode Island Public Utilities Commission  
89 Jefferson Boulevard  
Warwick, Rhode Island 02888

Dear Ms. Massaro:

We are filing, herewith, for effect May 23, 2009, tariff material consisting of:

PUC RI No. 15

Part/Section	Revision of Pages	Original of Pages
A/15	10, 12, 29, and 31	N/A

With this filing, Verizon Rhode Island (“Verizon RI”) proposes to modify tariff language associated with the Unlimited Local Usage for Business, Unlimited Local and Toll Usage for Business, Unlimited Dial Tone Line (DTL) Package for Business, and Unlimited CustoPAK Package for Business packages. These packages provide business customers with various options to purchase local and toll usage and calling feature bundles at discounted rates. This proposed modification removes the restriction that limited the packages to customers with 25 or fewer lines in total. With this change, customers will be able to subscribe to the packages at any location where they have 25 or fewer lines. This change will allow more customers to take advantage of the benefits the packages offer.

Additionally, existing tariff language associated with termination liability for Unlimited Dial Tone Line (DTL) Package for Business and Unlimited CustoPAK Package for Business is clarified.

Enclosed are an original and nine copies of the tariff material. Please return a copy of this letter with your stamp of receipt. If you have any questions regarding this filing, please contact Frances O’Neill-Cunha of my staff at 401-525-3560.

Respectfully submitted,

Theresa L. O'Brien
