**DIVISION'S RESPONSE TO SECOND SET OF DATA REQUESTS
DIRECTED TO DIVISION DATED NOVEMBER 24, 2009**

Request No. 2: Please provide any and all records, reports, orders, or decision related to the incident in National Grid's response to Commission 7-15.

Response: National Grid had previously informed that Division that the Commission's data request sought information associated with a matter regarding which the Division performed an investigation. After further review, National Grid has informed the Division that the information sought by the Commission in Request No. 2 is not associated with that matter. Accordingly, the Division does not possess any information or documents that is responsive to the request.
