Ms. Luly Massaro, Commission Clerk
Rhode Island Public Utilities Commission
89 Jefferson Boulevard
Warwick, Rhode Island 02888

Dear Ms. Massaro:

We are filing, herewith, for effect August 1, 2009, tariff material consisting of:

PUC RI No. 15

Part/Section	Revision of Page(s)	Original of Page(s)
A/15	4	N/A
M/1	57	N/A

With this filing, Verizon Rhode Island (“Verizon RI”) is introducing a waiver of the non-recurring charges (Service and Equipment Charges) associated with the installation of business lines and PBX trunks for customers who subscribe to a two- or three-year service agreement for Corporate Rewards. Corporate Rewards is a billing arrangement that provides business customers with an optional calling plan and various discounts for local and toll calling.

Additionally, this filing incorporates material filed on a supplemental page that was previously approved by the Commission and became effective on May 1, 2009.

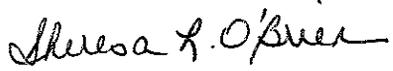

Verizon certifies that the prices for Corporate Rewards with the non-recurring charges waiver are not less than the Long-run Incremental Costs of providing the service.

If you have any questions regarding this filing, please contact Frances O'Neill-Cunha of my staff at 401 525-3560.

15.4 Corporate Rewards

15.4.1	Description
A.	Corporate rewards is a billing arrangement that provides business customers with an optional calling plan and various discounts consisting of the following components:
1.	Qualifying Usage — consists of usage assessed either on a per-line or on a per-minute basis.
a.	Per-line Basis
	Centrex Lines at \$25 per line
b.	Per-minute Basis — Uniform rates that do not vary by time-of-day or day-of-week, billed on a per-minute basis and timed at one-second increments, apply to the following types of customer-dialed station-to-station sent paid and applicable customer-dialed station-to-station calling card calls.
	Measured Local
	Toll
	Toll-Free and Dedicated Toll-Free
	Circuit switched data
	Calling card calls made via the BAAN single rate platform
2.	Volume Discount — applies a discounted rate to qualifying, monthly usage charges aggregated from all of a customer's billing telephone numbers (BTNs) within the state that subscribe to Corporate Rewards. The volume discount rate is automatically adjusted if a customer's qualifying usage varies between usage tiers. The qualifying usage tier is determined by rating usage at the Corporate Rewards base rate. There is a maximum and a minimum qualifying usage threshold that a customer's usage must be within in order to qualify for a volume discount.
3.	Loyalty Discount — applies in the 13th month, when a customer automatically renews their Corporate Rewards service agreement. For each consecutive year, up to and including the fifth year, a customer will receive an increased loyalty discount. After the fifth year, customers will continue to receive a loyalty discount capped at the fifth year discount level. Loyalty discount will apply to the customer's discounted monthly usage charges and will be applied on a BTN level. Customers that exceed the Tier 4 maximum monthly aggregated usage volume will not receive a loyalty discount.
4.	Access Line Discount — applies to One-Party Measured Business lines (1MBs), Trunks, Centrex Plus, ISDN Basic, ISDN PRI, Flexpath and Enhanced FlexGrow® lines. Customers will receive a fixed dollar discount on eligible access lines. Access lines included in customer specific pricing agreements are ineligible for the access line discount. However, customers with customer specific pricing agreements are eligible to subscribe to and receive the benefits of all the other Corporate Rewards components. Customers that exceed the Tier 4 maximum monthly aggregated usage volume will not receive access line discounts. Customers that do not exceed the Tier 1 maximum monthly usage volume will not receive access line discounts. For customers subscribing to a two- or three-year Corporate Rewards Service Agreement, access line discounts will apply only to those access lines rated on a month-to-month basis. Customers must convert their existing access lines to a month-to-month basis in order to be eligible for the two- or three-year access line discounts.
5.	Service and Equipment Waiver — applies to S&E charges associated with individual business lines and PBX trunks when customers subscribe to a two- or three-year Corporate Rewards Service Agreement. Applicable premises work charges apply.
	The full S&E charges will be charged back if, within 12 months, the customer:
a.	leaves Verizon, or
b.	disconnects any line(s) or trunk(s), or
c.	terminates the service agreement.
