Subject: DOER qualifies Richey Wind for RPS Class I and Wm Short as ITPMR

Dear Ms. Parisi,

This email is to inform you that DOER has qualified Richey Wind as a MA RPS Class I Generation Unit as of this date and has entered that information in the unit's Generation Asset account at the NEPOOL GIS. However, it might be some days before you receive the Statement of Qualification signed by Commissioner Philip Giudice.

In addition, this email is to inform you that DOER hereby approves William P. Short III as the independent Third Party Meter Reader (a.k.a. Independent Third Party Verifier) for Richey Wind. Accordingly, DOER authorizes the NEPOOL GIS Administrator to allow Mr. Short to establish and use an account at the GIS as the Third Party Meter Reader, as provided in Rule 2.5(j) and elsewhere in the NEPOOL GIS Operating Rules for the purpose of entering electrical generation data for Richey Wind.

Please inform me if Richey Properties, Mr. Short, or the NEPOOL GIS needs more formal authorization than this email, and I will provide it within the required time period. Also please inform me of the establishment of the Third Party Meter Reader account. Finally, Richey Properties must inform DOER of any substantive change in the relationships between Richey Properties and Mr. Short, including the replacement of Mr. Short as the ITPMR for Richey Wind or any changes that could affect Mr. Short's qualification to serve in the capacity of independent Third Party Meter Reader.
