Commission's Second Set of Data Requests

Docket No.: 4111

REQUEST COMM 2-1:

Please provide a listing of the largest fifteen (15) employers in Rhode Island. If available, please provide the number of employees for each of these employers. Please provide the average industry wage for each of these employers.

RIEDC RESPONSE 2-1:

The RIEDC currently utilizes two sources of information responsive to this question. Please note that the sources do not list the same companies. This could be due to the different time periods for the underlying data.

Listed below are data from: 1) The RIEDC 2008 Business Survey List and 2) The Providence Business Journal's 2008 "Book of Lists." I also note that the lists are slightly different due to the inclusion of municipalities (such as the City of Providence, Warwick) in the PBN list that are not reviewed in the RIEDC survey.
