**RE: Docket 4111 - Review of Proposed Town of New Shoreham Project  
Pursuant to RI General Laws § 39-26.1-7**

Dear Ms. Massaro:

This letter is being provided to notify the Commission and the other parties in this docket that National Grid and Deepwater are still involved in negotiations and have neither reached agreement nor concluded discussions.

We apologize for any inconvenience in delay, but the Company believes it is in the best interest of all interested parties to delay its filing until negotiations come to a conclusion, whether resulting in an agreement or not. We fully expect to be able to make a filing by the close of business Wednesday, November 18.

Very truly yours,

Ronald T. Gerwatowski
