Ms. Luly E. Massaro, Commission Clerk
Rhode Island Public Utilities Commission
89 Jefferson Boulevard
Warwick, Rhode Island 02888

Dear Ms. Massaro:

We are filing, herewith, for effect July 18, 2010, tariff material consisting of:

RI PUC No. 15

Part/Section	Revision of Page(s)	Original of Page(s)
A/15	25.1	N/A
M/1	62 and 63	N/A

With this filing, Verizon Rhode Island (“Verizon RI”) proposes to extend the Bundle Discount for Regional Essentials to customers who also subscribe to the Verizon Online Broadband Speed of Up to 15.1 Mbps. Regional Essentials is a billing arrangement which provides residence customers with a combination of a dial-tone access line, local and intaLATA toll usage, and optional features for a flat monthly rate. The Regional Essentials Bundle Discount provides the customer with a further discount when the customer also subscribes to other services offered by Verizon, such as Broadband Internet.

Additionally, an administrative change is proposed to correct a clerical error. The Internet speeds of Up to 1 Mbps and Up to 7 Mbps were inadvertently omitted from a previous version of the tariff for one option of the Regional Essentials Bundle Discount. This filing includes a textural change that corrects the omission.

If you have any questions regarding this filing, please contact Frances O'Neill-Cunha of my staff at 401-525-3560.

Enclosed are an original and nine copies of the tariff material. Please return a copy of this letter with your stamp of receipt.

Respectfully submitted,

for Theresa L. O'Brien
