RHODE ISLAND PUBLIC UTILITIES COMMISSION

Dear Ms. Massaro:

We are filing, herewith, for effect August 22, 2010, tariff material consisting of:

RI PUC No. 15

Part/Section	Revision of Page(s)	Original of Page(s)
A/15	36, 37 and 38	N/A
M/1	67	N/A

In this filing, Verizon Rhode Island (“Verizon RI”) proposes to introduce a month-to-month option and a two-year term commitment to the Solutions for Business Bundle. The Solutions for Business Bundle is an optional business package that includes a Business Exchange Service line or CustoPAK Line, calling features and services bundled with long distance calling and Verizon Broadband Internet Service. The package provides discounted rates and is available to business customers who subscribe to 25 or fewer voice grade lines.

Previously, Verizon offered the Solutions for Business Bundle with one-year and three-year term commitments. On July 15, 2010, Verizon grandfathered those options. This filing has no impact on subscribers to the one-year and three-year term commitments, and any customer who currently subscribes to the one-year or three-year term commitment may continue subscription to those plans.

Verizon certifies that the rates for the Solutions for Business Bundle month-to-month option and two-year term commitment are not less than the Long-run Incremental Costs of providing the services.

If you have any questions regarding this filing, please contact Frances O'Neill-Cunha of my staff at 401 525-3560.

Enclosed are an original and nine copies of the tariff material. Please return a copy of this letter with your stamp of receipt.

Respectfully submitted,

for Theresa L. O'Brien
