**Re: NARRAGANSETT BAY COMMISSION RATE FILING
RIPUC DOCKET NO. 4205**

Dear Luly,

The Division of Public Utilities and Carriers ("Division") hereby offers no objection to the Narragansett Bay Commission's Notice of Withdrawal of Rate Application, submitted on January 28, 2011 in Docket 4205. The Division is in agreement that the additional revenues approved in Docket 4214 pertaining to debt service only, should be recovered on an across the board basis as requested by NBC.

In addition, the Division concurs with NBC's agreement to file a Tariff Advice pertaining to its Residential Well Charge tariff within 30 days. The Division and NBC have had discussions on modifying that tariff so that the assumed amount of usage built into the fixed charge tariff will be updated to reflect a more representative level of usage based on recent NBC data.

In light of the Notice of Withdrawal, the Division requests a stay of the procedural schedule in Docket 4205 as the Division's testimony is due to be filed on February 3, 2011. Since the Commission's decision on the Withdrawal request is not likely to occur prior to the prefiling date of the Division, the Division requests a stay of the schedule.

Thank you for your attention to this matter. If you have any questions, please contact me.

Respectfully submitted,

STATE OF RHODE ISLAND,
DIVISION OF PUBLIC UTILITIES
AND CARRIERS
