PUBLIC UTILITIES COMMISSION

Dear Ms. Massaro:

We are filing, herewith, for effect February 7, 2011, tariff material consisting of:

RI PUC No. 15

Part/Section	Revision of Page(s)	Original of Page(s)
A/15	37	N/A

With this filing, Verizon Rhode Island (“Verizon RI”) proposes several changes to the Solutions for Business Bundle package. The Solutions for Business Bundle is an optional package that provides customers with access lines, unlimited calling and popular features at a discounted bundle rate. The changes are as follows:

- The restriction limiting the Solutions for Business Bundle to customers who have twenty-five (25) or fewer lines is amended such that the restriction will now limit the offering to customers with 25 or fewer lines *per location*.
- The restriction limiting customers to one Solutions for Business Bundle package per account is removed.
- The restriction limiting unlimited calling to a maximum of ten (10) lines is amended such that the restriction will now limit the offering to ten (10) lines with unlimited calling *per location*.

These changes will make the Solutions for Business Bundle more attractive to a wider market of business customers.

If you have any questions regarding this filing, please contact Frances O'Neill-Cunha of my staff at 401 525-3560.

Enclosed are an original and nine copies of the tariff material. Please return a copy of this letter with your stamp of receipt.

Respectfully submitted,

Theresa L. O'Brien
