**Re: Docket Nos. 4277 and 4288 Distributed Generation ("DG") Standard Contracts Program Revised Enrollment Application and Enrollment Process Rules and Standard Contracts**

Dear Ms. Massaro:

This letter is to notify the Rhode Island Public Utilities Commission that the Office of Energy Resources ("OER") concurs with National Grid filing to the extent that National Grid "will allow those parties that had submitted applications before the conclusion of the two-week period for receiving applications in the pending second enrollment to update their applications with competitive pricing proposals where applicable." Additionally, the OER agrees with the modifications for the upcoming enrollment.

The Office of Energy Resources also respectfully requests an expedited review of these limited changes to the 2013 Distributed Generation Standard Contracts Program.

Thank you for your attention to this matter. If you have any questions regarding this filing, please contact me at (401) 222-8880.

Sincerely,

Daniel W. Majcher, Esq.
