**RE: 2011 DG Standard Contract Enrollment**

Dear Ms. Massaro:

Pursuant to the provisions of the Distributed Generation (“DG”) Standard Contracts Act, R.I.G.L. §39-26.2-8(a), National Grid<sup>1</sup> is submitting the attached report of the aggregate amount of project nameplate capacity that was the subject of the standard contracts entered into during the DG Standard Contract enrollment that occurred during December 2011 and the prices under each of the standard contracts that was executed. National Grid awarded four Standard Contracts in the 2011 Enrollment, totaling 5 MW of project nameplate capacity, thus satisfying the aggregate target for the 2011 program year.

Thank you for your attention to this transmittal. If you have any questions, please feel free to contact me at (401) 784-7667.

Very truly yours,

Thomas R. Teehan
