MEMORANDUM

To: Service List – Docket No. 4290
From: Cynthia G. Wilson-Frias, Senior Legal Counsel
Date: October 9, 2013
Re: Procedural Schedule – In re: Office of Energy Resources Proposed LIHEAP Enhancement Plan Rate for 2014

The Office of Energy Resources filed its proposed LIHEAP Enhancement Rate on or about October 8, 2013. National Grid's reconciliation filing of the 2013 program year is due on or before October 23, 2013. Because OER has proposed to maintain the current rate in 2014, at this time it does not appear a hearing will be required. One caveat to this would be if National Grid projects a negative fund balance at December 31, 2013.

The following represents the schedule in this matter:

10/30/13	Responses to Commission Data Requests issued October 9, 2013
11/27/13	Division's Position
12/12/13	National Grid's Update on Fund Balance
