**RE: Docket 4295 – National Grid 2012 Energy Efficiency Program Plan
2012 Year-End Report**

Dear Ms. Massaro:

Pursuant to Section VII.2 of the Energy Efficiency Program Plan For 2012 Settlement of the Parties, The Narragansett Electric Company d/b/a National Grid (the “Company”) is required to file its 2012 Year-End Report (the “Report”) no later than May 1, 2013.

Because the Company recently implemented a new Enterprise Resource Planning (“ERP”) system, certain financial information ordinarily included in the Company’s Report will not be available in time for the original Report due date of May 1, 2013. The Company respectfully requests an extension to May 31, 2013 to submit the Report. Such an extension would assure the Report is accurate and complete and would promote the fair, orderly, and efficient conduct of this matter.

Thank you for your attention to our request. If you have any questions regarding this matter, please contact me at 401-784-7288.

Very truly yours,

Jennifer Brooks Hutchinson
