ORDER

WHEREAS, on November 4, 2011, Pascoag Utility District (“Pascoag”) filed its proposed Demand Side Management (“DSM”) plan and budget for 2012 with the RhodeIsland Public Utilities Commission (“Commission”); and

WHEREAS, on December 20, 2011, the Commission approved Pascoag’s proposed plan and associated budget which included a \$28,659 carry-over from Pascoag’s 2011 DSM plan; and

WHEREAS, on April 5, 2012, Pascoag filed with the Commission a true-up of its 2011 budget which represented an increased carry-over amount of \$40,893 which was \$12,234 more than the \$28,659 amount estimated in the 2012 budget approved by the Commission; and

WHEREAS, in its April 5, 2012 filing, Pascoag requested that the additional \$12,234 be allocated to the line item “Funds for Follow-up to Successful Programs” in its 2012 budget to be used for programs during the 2012 year that may require additional funding; and

WHEREAS, in response to data requests from the Division of Public Utilities and Carriers (“Division”), Pascoag identified the slow economy and the reduction of federal tax incentives and expiration of federal tax credits as reasons for the under-spending in a number of its DSM programs; and

WHEREAS, on April 18, 2012, the Division recommended that the Commission approve Pascoag's proposed allocation of \$12,234 to "Funds for Follow-up to Successful Programs."
