In Re: Narragansett Electric Company d/b/a National Grid
Application for Approval of a Change in Electric and Gas Base Distribution Rates
Docket No. 4323

**Secretary of the Navy and all Federal Executive Agencies
Petition for Intervention**

The Secretary of the Navy through authorized counsel submits this Petition for Intervention in the referenced docket on behalf of the Navy and all Federal Executive Agencies.

The basis for this intervention is that Petitioner maintains a military installation within the State of Rhode Island which obtains and uses electricity from National Grid. Therefore, the Department of the Navy will be specifically affected by the filing in this docket as the filing may affect rates paid by the Navy for electricity.

The Department of the Navy seeks full intervener status in order to participate in hearings and discussions regarding all matters pertaining to this docket and to cross-examine the witnesses of other parties.

Wherefore, Petitioner requests an order granting its Petition to Intervene with all associated rights.

Respectfully submitted,

Ellen M. Evans
Senior Trial Attorney
Counsel for the Secretary
of the Navy and FEA

Dated: This 20th day of June, 2012
