Re: Orono "B" hydroelectric generating facility

Dear Sir or Madam:

Reference is made to the Order, dated August 31, 2012 (the "Order"), of the Rhode Island Public Utilities Commission (the "Commission") issued in connection with *In Re: Application for Standard Certification as Eligible Renewable Energy Resource*, Docket No. 4331. All capitalized terms not defined herein shall have the meanings given to them in the Order.

We hereby notify you that Commercial Operation for the Facility occurred on November 22, 2013, and in accordance with paragraph 2 of the Order, Company hereby provides Commission with the final construction report of Kleinschmidt Associates, the Facility's independent engineer, verifying that the Facility was placed in service on November 22, 2013 (see attached as Appendix I).

In accordance with paragraph 2 of the Order, the Facility's NEPOOL-GIS Asset Identification Number is MSS38083.

Please note this letter and the attached appendices should be treated by the Commission as confidential to the extent permitted under applicable law, rule or regulation. Please contact Jon Chadbourne at 617-531-6397 if you would like to discuss.

Very truly yours,

Black Bear Development Holdings, LLC
