Subject: Interstate Navigation Company FYE May 31, 2015 Promotions Report to the Public Utilities Commission (PUC).

Dear Mike,

I have completed the Interstate Navigation Company FYE May 31st 2015 "Promotions Report". This report provides a summary of the promotions offered which is required to be filed with the Public Utilities Commission (PUC) by November 15th 2014, and each subsequent year. This filing requirement is part of the PUC's Order in Docket No. 4373. The list of items required to be reported as part of this report are as follows:

1. Summary of the promotions offered.
2. When the promotions were offered.
3. The number of passengers who bought tickets using the promotion.
4. The total number of passengers for the period.
5. An estimate of additional ridership and revenue generated as result of the promotion.
6. The cost associated with the promotion.

Interstate did not offer any promotions during the fiscal year 6/1/14 to 5/31/15. Therefore regarding items 1, 2, 3, 5 and 6, the response is none. Regarding item 4, Interstate had a total number of passengers of 426,349 during the period of 6/1/14 to 5/31/15.

If I can be of any additional help please do not hesitate to contact me.

Sincerely

David G Bebyn CPA
President
