A complete and signed Lifeline Service Application and Certification ("Certification") is required to enroll you in Blue Jay Wireless, LLC's ("the Company's") Lifeline service program in your state. This Certification is for the purpose of verifying your eligibility for Lifeline service. Service requests will not be processed until this Form has been received and verified by Company.

One Lifeline service per household disclosures: Lifeline is a government assistance program and willfully making false statements to obtain a Lifeline benefit can result in fines, imprisonment, de-enrollment or being barred from the program. Lifeline benefits are limited to a single line of service per household. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses. A household may not receive multiple Lifeline discounts. You may apply your Lifeline discount to either one landline or one wireless number, but you cannot have the discount on both and you cannot receive Lifeline benefits from multiple providers. Note that not all Lifeline services are currently marketed under the name Lifeline. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person, including another eligible low-income consumer. Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's rules and will result in your de-enrollment from the program, and potentially prosecution by the United States Government.

I hereby certify under penalty of perjury that I have read and understood the disclosures listed above and that, to the best of my knowledge, my household is not already receiving a Lifeline service benefit.
