Dear Ms. Massaro,

The Division of Public Utilities and Carriers (“Division”) has reviewed the Petition of YMax Communication Corp. (“YMax”) for Designation as an Eligible Telecommunications Carrier (“ETC”) dated December 13, 2012 and reviewed the Supplement to Petition dated March 23, 2013. Based upon its review of the petition and supplement to petition under the Commission’s Rules and Regulations Governing the Certification and Verification Procedures for Telecommunications Carriers Eligible to Receive Payments from the Federal Universal Service Fund, the Division recommends that the Commission approve YMax’s petition for designation as an ETC dated December 13, 2012 and the supplement to petition dated March 23, 2013.

Respectfully submitted,

Division of Public Utilities and Carriers
